

# Fall-Winter COVID-19 Prevention Program: Community Prevention

From December 1, 2020, masks must be worn in the following eight types of public venues:

Healthcare facilities, public transportation, places of consumption, educational facilities, sports and exhibition venues, entertainment venues, places of worship, offices and business venues.

Failure to comply with the rule after being advised to do so will result in an NT\$3,000-NT\$15,000 fine from the local government.
